Petition to Support Walter Dyett Global Leadership and Green Technology High School

Petition summary and background

This petition is being circulated by the Committee to Revitalize Dyett, a coalition of prominent organizations, parents, students and community residents committed to providing our students with a world-class education in their own neighborhood.

Action petitioned for

We, the undersigned, are parents in Bronzeville who believe that our children deserve a high quality, open enrollment high school in their own neighborhood. We support the Dyett Global Leadership and Green Technology High School and would strongly consider enrolling our children upon its' opening in August 2014. We encourage Chicago Public Schools to support this effort.
